

# SHEERWEAVE INFINITY™ AND INFINITY<sub>2</sub>™ RECLAMATION PROGRAM

Phifer Incorporated has partnered with our TPO (Thermoplastic Olefin) supplier to facilitate a return program for SheerWeave Infinity and Infinity 2 that is ready for disposal as a result of fabrication scrap or at the end of the fabric life cycle as a window shade. Phifer will serve as the collection point of scrap Infinity and Infinity shades and will coordinate the shipment of this fabric to the recycler.

## *Program Conditions*

- Request for return of Infinity scrap or shades must come through submission of the Reclamation Approval Form.
- A sample swatch must be submitted with your request form for approval. Only Phifer's SheerWeave Infinity and Infinity 2 will be considered for return in this program.
- All components, hardware and attachments must be removed prior to shipment. Only Infinity fabric is to be returned.
- Companies or individuals wishing to return Infinity for recycling are responsible for all costs related to the collection, packaging and shipment of Infinity. Any freight collect shipments will be refused and returned at shipper's expense.
- There will be no monetary credits issued for materials returned for recycling.
